Education

B.Sc. (Hons.) Mathematics, Minor: Economics
MSCW, University of Delhi (2023–2026)
Grade: 65%

Secondary Education
New Era Public School, Mayapuri (2011–2023)
XII: 91%, X: 93%

Skills

Python • R • Data Analysis • Tableau
MS Excel/Word • Canva • Data Visualization

Certifications

- SEBI Investor Certification Exam
- Deloitte Data Analytics Simulation
- Google Data Foundations (Coursera)
- Tata: Data Visualization for Business
- Intro to Data Analysis using Excel (Coursera)

Projects

- **Hack2Skill Solution Challenge – BiteBuzz** Project Link
  ML recommendations • Blockchain transparency • VR kitchen tours • Green logistics

- **Exploratory Data Analysis – CodTech** GitHub
  Python EDA • Business insights • Visualizations

- **Interactive Dashboard – CodTech** GitHub
  Tableau + Python • KPI dashboards • Data trends

- **Big Data Analysis – CodTech** GitHub
  Preprocessing • Transformations • Large datasets

- **Machine Learning Projects – CodSoft** GitHub
  Predictive models • Classification • Regression

Profile

Analytical mindset with strong foundation in mathematics and economics. Passionate about quantitative analysis, predictive modeling, and financial problem-solving. Currently preparing for a career in Actuarial Science.

Experience

CodTech IT Solutions | Data Analyst Intern | Sep 2025 – Present

- EDA and visualizations for business trends
- Dashboards and automated reports

CodSoft | Data Science Intern | Sep 2025 – Present

- ML models for predictive analysis
- Data cleaning and preprocessing

Anandaya Foundation | Graphic Designer Intern | Oct 2025 – Present

- Social media creatives and posters
- Promotional campaigns and outreach

Google Developer Groups on Campus | Coordinating Member | Nov 2024 – Present

- Event coordination and branding assets
- Sponsorships and project showcases

Gen AI Study Jams (GDG) | Active Member | Oct 2024 – Nov 2024

- Prompt engineering and fine-tuning
- Built and deployed AI solutions

Anantya – DU Mathematics Dept. | Executive Member | Oct 2023 – Aug 2024

- Event graphics and materials
- Sponsorship management

Achievements

- Cleared **ACET (Actuarial Entrance Test)** with 51 marks
- Earned 16 Skill Badges in Google Gen AI Specialization View Profile
- Recognized for contributions to GDG and Anantya Math Dept.
